

# MEME-OTOPY

## Meme Making

---

### RULES:

1. Make your own meme.
2. It must have mathematical theme.
3. Do not use unparliamentary words. If absolutely necessary in context, censor it entirely except the first letter.
4. You will always be credited if Symmetry 2025 uses it for promotion.
5. JPEG files are accepted. MP4 files are accepted but have to be under 15 seconds. You can also hand draw your meme.
6. Only one entry per participant

### PROCESS:

Last date of submission: **15 September 2025, 11:59 pm**

The decision of the judges panel is final.  
do not cheat by stealing a pre-existing meme.  
We will know .

### SCHEDULE:

Felicitatation of the winners:

**Venue:** PCM, Baker Building 1st floor, Presidency University, Kolkata

**Time:** 5 pm
